VIDAL MARTINEZ

HARRIS COUNTY JUDGE

Lina Hidalgo has been an unmitigated disaster and Republicans desperately need a candidate who can defeat her in November. The candidate with the best chance to defeat Hidalgo is **Vidal Martinez**, because he is not only the best qualified to take on the job of County Judge, but he will appeal to a wide variety of general election voters, including Hispanic voters (**Martinez** is

fluent in Spanish) who have traditionally voted Democrat. **Martinez** is **Managing Partner of Martinez Partners**, a position that has given him vast business and management experience at a firm with global recognition. **Martinez** is a highly respected international lawyer, speaker, and author who began his career in 1978 as an Assistant **U.S. Attorney** in Houston with the **U.S. Department of Justice**. **Martinez's** experience as a prosecutor will be instrumental in correcting the criminal justice course to get offenders off the streets and into the jails where they belong. **Martinez** is also highly respected by the business community and helps direct numerous companies and organizations as a board member. **Vidal Martinez** is the most qualified candidate in the race and is the solution we need to reverse four years of bad Democrat policies.

JERRY MOUTON

COUNTY COMMISSIONER, PRECINCT 2

Harris County has been heading in the wrong direction since the Democrats took control of Commissioners Court four years ago by electing **Lina Hidalgo** as County Judge and **Adrian Garcia** Commissioner of Precinct 2. Crime, for example, is at a 40-year high in Harris County. By contrast, in Deer Park—where **Jerry Mouton** is the current Mayor and a former city council member—crime is down 15% under **Mouton's** leadership. **Mouton** has the background as a business owner and elected official we need to help get Harris County back on the right track.

WHAT OTHERS ARE SAYING ABOUT VIDAL...

"A gunman murdered my 19-year-old cousin in the middle of the day as he was getting into his car. The killer was out before the funeral. I spent the last 6 months on the campaign trail with Vidal Martinez and his opponent. I only trust Vidal to stop this evil crime wave. As a mom, I urge you to vote for Vidal to keep our children safe."

MARTINA DIXON

FORMER CANDIDATE FOR HARRIS COUNTY JUDGE

"Vidal has the right experience to steer the third largest county in the country. He is a proven leader who will fight crime, root out corruption, and defend our conservative values."
